Corrective Notice – Section 19(a)-1

American Beacon TwentyFour Short Term Bond Fund

Section 19(a) of the Investment Company Act of 1940 requires notice to shareholders when a distribution is paid from any source other than the fund's net investment income. Rule 19(a)-1 requires that such notice disclose the estimated sources of the distribution.

The May 2026 distribution paid by American Beacon TwentyFour Short Term Bond Fund ("the Fund") on June 2, 2026 was reported as net investment income, and no portion was reported as return of capital. Accordingly, no Section 19(a)-1 notice was issued at the time of the distribution.

The Fund has since determined, based on updated tax information received, that a portion of the distribution originally reported as net investment income should have been reported as a return of capital. Accordingly, the Fund is issuing this corrective 19(a)-1 notice to revise the previously reported estimated sources of the distribution.
